PVAAC Members are part of our 'Community Service' Award-Winning Charitable Agency.

PVAAC Members are appreciated because they choose to support PVAAC! (Annual dues help pay the enormous utility bills as well as help to support PVAAC's many programs and activities.)

It costs PVAAC more than $1500 per day to provide vital services for you and our community! Despite ever-increasing costs, we work diligently to continue to provide high-quality services for the least possible cost to you.

Any help and support you can give is GREATLY appreciated!
